

Help Out on State Natural Areas

Bluff Creek Workday

Get outside and cut up buckthorn at Bluff Creek SNA. Come enjoy the winter fire if there is snow and help volunteers during our monthly Southern Kettle Moraine SNA workdays on the second Saturday. Enjoy a short hike, then help cut and pile brush, learn something, meet knowledgeable people, and enjoy the beauty of this fen area in the process. We will remove buckthorn that can spread and shade out rare fen and savanna plants at this site. No skills needed you will be trained onsite.

Date: February 9

Time: 9am-noon

Directions: Bluff Creek parking lot. From Whitewater take Co Hwy P south past Hwy 12 about 2 miles and park on the parking lot on the west side of the road before Bluff Creek or across the road in the fisheries parking lot.

Google map: <https://goo.gl/maps/eqBqM>

What to wear: Dress for the weather and the outdoors. We strongly encourage boots/sturdy shoes and clothes that can get wear and tear. Natural fabrics are best, fires may create small holes in clothes.

What to bring: Gloves, safety glasses (we will have extra)

If the workday is cancelled due to weather conditions, a message will be left at 262-441-0393 at least two hours prior to the event. If there is no cancellation message, the workday will continue as scheduled.

Contact: If you are interested please contact Ginny Coburn at virginiacoburn@coburn.com or 262-441-0393. But if you don't get around to notifying, come anyway!
